**Subject: PCN#02A-14 Notification of Tape and Reel Shipping Box Specification Change for Select Package Devices**

Dear Lattice Customers,

Lattice is providing this Notification of Tape and Reel shipping box specification change for select package devices.

**Change Description**

Lattice is changing the Tape and Reel shipping box specifications for packages that are 5x5mm or smaller. The new Tape and Reel shipping box is approximately 25% thinner profile (height) compared to the existing shipping box. There are no changes to the width and length of the box. The new shipping box will meet an edge crush test of 32 Lbs/in as does the existing shipping box. The new shipping box also passed the industry standard drop tests. The table below as well as Exhibit A show the current and new Tape and Reel box specifications.

Description	Current Tape & Reel Box	New Tape & Reel Box
Width	360mm	360mm (No Change)
Length	370mm	370mm (No Change)
Height	86mm	65mm

**Affected Devices**

This PCN affects all Ordering Part Numbers (OPNs) for Tape and Reel shipments for 5x5mm or smaller package devices, both standard and custom specification OPNs. There are no change to the OPNs. The reel quantity also remains the same.

### **Datasheet Specifications**

This PCN has no impact on any data sheet specifications.

### **Conversion Timeline**

Conversion timeline will depend on the depletion of existing box inventories.

### **Response**

No customer response is required.
